

Nomination Form 2016 Environmental Hero and Environmental Youth Hero of the Year Award

The City of Kawartha Lakes Environmental Advisory Committee (CKLEAC) is accepting nominations for the 2016 Environmental Hero of the Year Award until **March 31, 2017**. This award was created in January of 2004 by Council on a recommendation from CKLEAC. The criteria for a candidate to qualify are as follows:

1. An individual or group from the City of Kawartha Lakes or a student or student group enrolled in a related post-secondary education program that has worked to address a local environmental issue in 2016;
2. Made an outstanding environmental contribution within the City of Kawartha Lakes; and,
3. Acted successfully to influence change for the benefit of the environment without any expectation of reward.

To accept this award, the individual or group must reside in the City of Kawartha Lakes or be enrolled in an accredited post-secondary institution. As a guideline, CKLEAC members and City of Kawartha Lakes staff are not qualified to receive the reward. If there are several compelling choices, individual efforts should be recognized before group actions. Where group action is considered, the leader should be recognized in preference to the entire group.

Completed nomination forms can be submitted to the following address.

City of Kawartha Lakes Environmental Advisory Committee
c/o Planning Division
180 Kent Street West, 2nd Floor, Lindsay, Ontario, K9V 2Y6
Fax # 705-324-4027
